Service/Organisation: \_\_\_\_\_

Telephone \_\_\_\_\_ Ext No. \_\_\_\_\_ Mobile \_\_\_\_\_

- The equipment has been funded by the **Ministry of Health** and I can use it as long as I need it. I cannot sell it or give it away.
- I will arrange insurance for the equipment if I can (high cost items only).
- I will follow the instructions that I have been given on how to use and care for the equipment.
- I will keep the equipment clean, and well looked after.
- **accessible** repair and maintain equipment free of charge. If I don't look after the equipment I may need to pay for its repair and/or replacement.
- Repairs are completed in normal business hours. If my equipment needs repairing I will contact **accessible** to arrange to have it repaired, Freephone 0508 001 002.
- I have discussed with the EMS Assessor and know what to do if the equipment breaks down after hours, at the weekend or on a Public Holiday.

### My After Hours Plan Is:

- If I don't need the equipment anymore I will return it to **accessible** or arrange to have it collected. It should be returned because it could be cleaned and checked and then used by another person.
- If I change my address I will tell **accessible**.
- If I move permanently into residential care (such as a rest home or hospital) I will contact **accessible** as I may have to return some or all of the equipment items I have been using.
- If I leave New Zealand to live overseas, I can take mobility equipment (such as a wheelchair or walking aid), a communication device, glasses, hearing aids or low cost or highly personal equipment (such as a brush, cutlery or easi-reacher) with me. I will contact **accessible** to arrange the return of all other equipment.
- If my equipment needs to be changed in some way, I will contact the EMS Assessor or **accessible** and not make any changes to the equipment myself.
