ELIGIBILITY CRITERIA

Ministry of Health eligibility criteria as described in the EMS assessor equipment manual must be met for all wheelchair applications made to **accessible**.

Where a wheelchair is only for community access, e.g. doctor's visit, medical appointment, church trip, family outing, it falls outside Ministry of Health criteria and cannot be funded.

Which of the following criteria has been identified as being essential for the person to do:

- The wheelchair is required to get around safely in their home.
- The wheelchair is required for full time employment, study, voluntary work, or main carer responsibilities. (Please provide supporting evidence.)
- Both of the above criteria.

Can the wheelchair be used within the home without any housing modifications? Yes No

Will the wheelchair be the person's primary mobility aid? Yes No

If you have ticked No to either question, you must complete a Complex Equipment Application.

WHEELCHAIR TYPE

Self Propelling Transit Amputee

Note: The standard lightweight wheelchairs (Transit or Self-propelling) are the Karma 8020/8520 or the Action 3, or **accessible** will supply similar refurbished stock. No variations from the specifications as shown on this sheet are able to be provided via List Equipment, please use a Complex Equipment application instead.
