

Ministry of Health Standard Equipment List - Update

accessible has sought feedback from Specialised Assessors in order to make service improvements for Assessors and Clients receiving Equipment and Modification Services (EMS).

To assist with timely provision of standard equipment items **accessible** has added the following equipment items to the Standard List:

- Standard Shower Commodes

- Standard Bed with the following accessories
 - Standard Mattress
 - Cot-side/s and Cover/s
 - Over-bed Pole
 - Bedrail/s

***NB:** Where a specialised mattress is required on a standard bed, all the equipment items must be requested on a complex equipment application.*

- Transfer Board or Belt

- Heel Protector

- Non-Spill Urinal

- Kettle Tipper

As you are aware equipment from the Standard List is not to be used in lieu of short term loan equipment if the need for the equipment is not long term; i.e. greater than 6 months.
