

Professional Advisor

This could be you!

Do you have a strong understanding of assessment and service provision within the NZ Disability sector with its wide range of providers, services and challenges? Do you have a team focus and the ability to learn from and mentor others in the **accessible** team? Are you committed to accepting a personal, professional and business challenge? Do you have strong leadership skills and have an interest in Senior Leadership?

accessible has a position available for a NZ registered Occupational Therapist or Physiotherapist to join the Advisory team. This is an Auckland based role and 32 hours per week (negotiable).

As a key member of the team, you will provide a pivotal role:

- processing of applications,
- internal and external customer service development,
- continuing to build relationships within the Community.

If you believe that you are ready for this challenge forward your details to:
