Re-design of aSAP Purchase and Trial Process

Monday 7th September 2020

On Monday 31st August, we sent an important email announcement informing you of our Go Live date for the launch of our re-designed Complex Purchase and Trial process within aSAP.

Of the 2811 emails delivered, 40% of these have been opened.

This process change has several design improvements that will enhance your current experience with the submission of Complex Purchase and Trial requests.

We strongly encourage you to please review this information [here](#) so you are informed and prepared for these coming changes.

Key dates to remember:

- Webinar training sessions will be held on:
 - Wednesday 16th September 8am, 11.30am, 3.30pm
 - Thursday 17th September 8am, 11.30am, 3.30pm
 - Friday 18th September 8am, 11.30am, 3.30pm
- aSAP will not be available to access from 3pm on Friday 18th September until 8am Monday 21st September
- Monday 21st September, the newly developed complex purchase, and trial process flow will be live

We have also identified Assessors who have high interactions and submissions of Complex Purchases or Trials. Our team is in the process of contacting you or your assessment service if you are in this high user group by the end of this week to discuss specific training or support you may need to understand the new improvements.

A further update will be sent to you on Monday 14th September with additional resources and information as we work towards 21st September.

For any questions you may have please contact our team by emailing asap@accessible.co.nz and we will be in touch.

Thank you
Team Accessable
